

Launch Scripts - The Betrayal Arc

Video 1: The Termination | Video 2: The Backstory
Internal - both teams | Word-to-word shooting scripts

The rollout order

STEP 0	Instagram text story (EKATRA + Aishwarya personal)	Day 0, evening
STEP 1	Video 1 - The Termination (EKATRA + Aishwarya personal)	Day 1
STEP 2	Silence. Reply to no comments. Let people speculate.	Days 2-4
STEP 3	Video 2 - The Backstory (debut post on @jebkatra, tagged by nobody - people must find it)	Day 5

Step 0 - the story post (exact text)

Plain text on EKATRA-beige background. No music. Posted to EKATRA main and Aishwarya personal:

**"Effective immediately, a member of our team has been released.
We wish him a sustainable future."**

No name. No emoji. No follow-up story for 24 hours. The blandness is the hook.

VIDEO 1

The Termination

Duration 90-120 sec | Posted on EKATRA main + Aishwarya personal | Genuine EKATRA visual style - warm, handheld, documentary. Vaibhav is never named, never shown.

Cast: Aishwarya (herself), one HR teammate (speaking), 20-30 team members (background, one whisper line).

Locations: Aishwarya's desk; the open floor. One take of the all-hands wide shot should be usable as recap footage for Video 2 - shoot it clean.

SCENE 1 | 0:00-0:25 | AISHWARYA'S DESK - DAY | Camera: handheld, over-shoulder, natural office audio

Aishwarya is signing papers. An HR teammate stands beside her with a file. The energy is quiet, post-storm. Camera slightly unstable - it should feel overheard, not produced.

HR

"Ma'am... uska final settlement ready hai. Sign chahiye."

AISHWARYA (signing, not looking up)

"Hmm. Policy ke hisaab se sab process karo. Kuch bhi pending nahi rehna chahiye. Kuch bhi."

HR

"Ho jayega. ... Ma'am, ek aur baat. Team mein kal se baatein ho rahi hain. Sab pooch rahe hain kya hua."

Aishwarya's pen stops mid-signature. Two-second pause. She closes the file.

AISHWARYA

"Theek hai. Phir sabke saath hi baat kar lete hain. Chalo."

She stands and walks out of frame. Camera hurries to follow - one unbroken take into Scene 2 if possible.

SCENE 2 | 0:25-1:45 | OPEN FLOOR - CONTINUOUS | Camera: locked wide shot from far corner, whole room in frame

20-30 team members at their desks. Aishwarya walks to the center. The camera does NOT move for this entire scene - like CCTV, like a leaked all-hands. Room noise dies down naturally.

AISHWARYA

"Sab log do minute ke liye ruk jao. Haan - yahin. Do minute."

Beat. Chairs turn. Silence settles.

AISHWARYA

"Bahut log mujhse pooch rahe hain - woh kahan gaya, kya hua, kyun hua. Kal se meri ek chai shanti se nahi hui hai."

No smile. Dry. A couple of nervous laughs in the room die instantly.

AISHWARYA

"Toh main ek hi baar bolungi. Naam nahi lungi. Jo insaan gaya hai, uski izzat aur privacy uske saath gayi. Yeh EKATRA hai. Hum yahan kisi ko gira ke baat nahi karte."

Pause. Her tone shifts - controlled anger. Slower. Quieter is scarier than louder.

AISHWARYA

"Lekin jo hua, woh kyun hua - yeh sabko samajhna zaroori hai. Is company ki neev ek soch pe rakhi gayi thi. Yahan jo bhi cheez banti hai - woh kisi aurat ke haathon ki mehnat hai. Woh aurtein jo pehli baar apne naam se kama rahi hain. Jinke bachchon ki school fees unki silaai se jaati hai. Har dhaage ke peeche ek soch hai. Ek kahani hai. Ek ghar chalta hai."

AISHWARYA

"Aur is ghar ke andar... mujhe ek business plan diya gaya. 'Single-use luxury.' Cheezein banao taaki pheki jaayein. Aur mehengi banao - taaki phakne mein bhi status lage."

Longest pause of the video. Camera holds the wide. Nobody moves.

AISHWARYA

"Maine woh file wahin band kar di thi. Aur aaj saaf-saaf bol rahi hoon - jo bhi yahan baitha hai, sun le. Aisi soch is company mein tolerate nahi hogi. Na aaj. Na kabhi."

Beat. She exhales. Voice drops back to normal - the anger is filed away.

AISHWARYA (softer)

"Bas. Lunch kar lo. Aur haan - kal ke orders raat tak pack ho jaane chahiye."

She walks out of frame. The room stays silent. Camera keeps rolling - hold the awkward stillness for a full 4 seconds.

SCENE 3 | 1:45-2:00 | SAME WIDE SHOT - THE HOOK

In the silent room, one team member leans toward another. The whisper is mic'd but the shot stays wide.

TEAM MEMBER (whisper)

"...par yaar. Woh gaya kahan?"

CUT TO BLACK. No logo. No end card. No music sting. It must feel like leaked footage, not content.

Captions

EKATRA main: "Kuch cheezein hum nahi banate. Kuch soch bhi." (no hashtags)

Aishwarya personal: "Aaj team se ek zaroori baat kahi. Mushkil thi. Lekin zaroori thi."

Comments: reply to nothing. If someone guesses right, like nothing. Silence for 3-4 days.

VIDEO 2

The Backstory

Duration 2:00-2:30 | Debut post on @jebkatra (created quietly beforehand) | Third-person narrator, true-documentary tone that slowly rots into villain-origin. Reuses Video 1 footage for the recap.

Cast: Narrator (V.O. - deep, calm, Hindi-documentary style), Vaibhav, Aishwarya, 1-2 artisans/colleagues for the montage. The face reveal is gradual: hands first, then back of head, full face only at Scene 3.

SCENE 1 | 0:00-0:20 | THE RECAP | Footage: Video 1's wide all-hands shot + the whisper

Open on the exact wide shot from Video 1, slightly desaturated, timestamp corner burn like security footage.

NARRATOR (V.O.)

"Kuch din pehle, EKATRA ke office mein ek meeting hui. Jisme kisi ka naam nahi liya gaya. Sirf itna kaha gaya - 'aisi soch tolerate nahi hogi.'"

Freeze on the empty desk in the corner of the frame. Slow push-in.

NARRATOR (V.O.)

"Poore internet ke mann mein ek hi sawaal tha. Woh KAUN tha? ... Toh chaliye. Ab main batata hoon aapko - hum yahan pahunchke kaise."

SUPER / TEXT ON SCREEN: white serif on black: "PART 2 - WOH KAUN THA"

SCENE 2 | 0:20-0:50 | WHO WAS VAIBHAV VIJAY | Warm montage, golden light, nostalgic music

Shots, in order: hands sorting fabric scraps with monk-like care - carrying a chai tray to artisans - stitching a tag, tongue out in focus - staying late, switching the office lights off. Face NOT shown yet: hands, back, silhouette.

NARRATOR (V.O.)

"Vaibhav Vijay. Ek zamane mein is company ka sabse zimmedaar aadmi. Subah sabse pehle aata tha. Diwali pe sabke liye khud gift banata tha. Kapde ki ek katran bhi zameen pe gire, toh jhuk ke uthata tha."

NARRATOR (V.O.)

"Log kehte the - agar EKATRA ek insaan hota... toh Vaibhav hota."

Music cuts dead. One beat of silence.

NARRATOR (V.O.)

"HOTA. Past tense pe dhyaan dijiye."

SCENE 3 | 0:50-1:20 | THE CORRUPTION | Tone darkens - first full face reveal

An exhibition / mall. Vaibhav sees a glossy plastic-coated luxury bag in a store window - price tag ten times an EKATRA jute bag. A queue outside the store. Slow push-in on his face: this is the first time we see it fully. Then: night, his face lit only by a laptop - the villain-lair aesthetic from the founder photo.

NARRATOR (V.O.)

"Phir ek din, ek exhibition mein, usne kuch dekha. Ek plastic-coated bag. Hamare jute ke bag se dus guna daam. Aur bahar - line."

VAIBHAV (quiet, to himself - first time we hear his voice)

"Agar cheez kharab hi nahi hogi... toh dobara bikegi kaise?"

NARRATOR (V.O.)

"Kuch log kehte hain, us din uska dil toot gaya. Woh khud kehta hai - us din uski aankh khuli."

SCENE 4 | 1:20-1:55 | THE FIGHTS | Quick cuts, escalating, handheld

CUT 1 - Meeting room. Projector slide reads: 'SINGLE-USE LUXURY(tm)'. Slide counter shows 70.

VAIBHAV (pitching, possessed)

"Ek baar socho! Log cheez isliye khareedenge KYUNKI woh khatam ho jayegi!"

AISHWARYA (arms crossed)

"Vaibhav. Hum cheezein bachane ke liye banate hain."

VAIBHAV

"Bachane se margin nahi aata, Aish!"

CUT 2 - Corridor. Walking argument, camera struggling to keep up.

AISHWARYA

"Tumne artisans ko bola plastic seekhne ko?!"

VAIBHAV

"Maine UPSKILLING bola tha!"

CUT 3 - Her office. Dead quiet. The scene from Video 1's shadow - now shown. She slides a handmade-paper envelope across the desk. Pressed flower on top.

AISHWARYA (soft, final)

"Humne bahut soch ke yeh decision liya hai."

He stands. Takes the envelope with both hands - oddly respectful. At the door he stops. Looks at her desk. Picks up the striped journal. Does not look back.

VAIBHAV

"Yeh main le raha hoon. Severance."

AISHWARYA (off-screen, rising from chair)

"Vaibhav, woh mera personal- VAIBHAV!"

SCENE 5 | 1:55-2:20 | THE HOOK | Night street, single streetlight

Black for one beat. Then: Vaibhav walking away from the office at night, journal under his arm. He stops under a streetlight. Pulls a crumpled plastic bag from his hoodie pocket. Looks at it. And smiles - slowly. THE grin. Hold it two full seconds.

NARRATOR (V.O.)

"Us raat uske paas kuch nahi tha. Sirf ek chori ka journal. Ek plastic ki thaili. Aur ek idea."

NARRATOR (V.O.)

"Aisa idea... jo seedha aapki jeb tak aane wala hai."

SMASH CUT - full red frame, white serif italic:

SUPER / TEXT ON SCREEN: "JEBKATRA - Apki Jeb Se Humare Jeb Tak." then, smaller: "jald aa raha hai. @jebkatra"

Caption (on @jebkatra)

"Part 2. Unhone kahani ka apna side sunaya. Ab meri baari. Follow karo - kyunki Part 3 mein unki jeb halki hogi aur meri bhaari." (first comment: link to Part 1 on EKATRA's page - send the audiences into each other)

Production notes

- Shoot Video 1's wide all-hands take clean and hold it long - Scene 1 of Video 2 is cut from that same footage.
- Aishwarya's anger is quiet, never shouted. Quieter is scarier than louder.
- Video 2's narrator should sound like a crime documentary until Scene 5, where he can enjoy himself slightly.
- Face-reveal discipline: Video 1 - never. Video 2 - hands (S2), silhouette (S2), full face (S3). The grin under the streetlight is the money shot; light it like the founder photo.
- Keep the striped journal visible in every scene it can plausibly be in - it is the merchandise.
- Create @jebkatra before Video 1 posts, zero posts, private-ish bio: 'jald.' People who go looking must find something.
